WEEK 4

CAPTION:

Hayoo siapa disini yang suka bilang kalau temen lagi tidur sampai ngorok tuhh tandanya lagi tidur pulas? Nyatanya, ngorok atau mendengkur tuh bukan salah satu dari ciri-ciri orang yang tertidur dengan pulas.

Bahkan kalian dianjurkan berkonsultasi kepada dokter apabila

1. Mendengkur lebih dari tiga hari dalam seminggu.
2. Terbangun akibat tersedak.
3. Mendengkur bisa berhenti berhenti dan keras tiba-tiba.

Jadi kalau kamu, atau kerabat terdekat ada yang mendengkur dan mulai terasa mengganggu, yukkk konsultasi langsung bersama ahlinya di Medevo!

Key point:

In February, This content is most liked and saved by audience. That means content about lifestyle and its impact to health condition can attract audience even without ads. Such as this two content about hypertension and daily check up.

Engagement

The highest likes in February happened one of DHC's hard selling content about telemedicine that are boosted with ads, on the other hand content about lifestyle and health are attractive for the audience.

Strategy & Plan

Instagram Summary & Suggestion

Summary

- Polling and Trivial content still becoming the post that can gain most engagement on Instagram Story.
- Informational/educational (edutainment) contents, regarding work lifestyle and health, seem to be the most engaging contents on feeds.
- On this month national celebration content, world cancer day post gain more engage than valentine's day content.

Suggestion

- We will also make a related instastory and feed content, so we can build connections and raise more engagement towards our instagram account.
- This month we will try to make alternate content like work, career, digital, & anything related to personal and current trends.

Campaign steps

Goals

We set goals to gain more reach & impressions

Plan

We plan what we're going to share to audience

Post

We share in Instagram Feed, Story, Reels & TikTok to reach audience

Boost

We boost regular content to get wider reach & impressions

GA

We're gonna create Giveaway with gifts to attract audience

Collab

We wanna collab with KOL to spread more about our message

Next Move
